**Re: Information regarding wells at 711 Neal Road, Madison, NC**

**In regards to the water available at 711 Neal Road, Madison, NC. This well is 1245' with .5 gallons per minute, which will furnish a home. This well would provide 720 Gallons per day and would have 825 gallons of storage capacity. In the future if ever needed, this well could be hydrofracked for \$4500.00 to increase water supply.**
